Nasir Mohajel, PharmD
PhD Student
Dept. of pharmaceutics, Faculty of pharmacy, Tehran University,
Tehran, Iran

00982188967145
00989133049019
mohajel@razi.tums.ac.ir

Objective:

- To acquire an academic position in Yazd Faculty of Pharmacy

Education:

- October 2006 - present

  Tehran University of Medical Sciences
  PhD student in pharmaceutical sciences

- Februery 2000 - November 2005
  Isfahan University of Medical Sciences
  PharmD

Work experiences:

- March 2008 – present
  Research assistance, Tehran University of Medical Sciences

- October 2006 - June 2007
  Teaching assistance, Tehran University of Medical Science

- March 2006 – September 2006
  Community Pharmacist, Shohada pharmacy, Shahrekord

- March 2006 – September 2006
  Community Pharmacist, Red Crescent pharmacy, Shahrekord

Achievements

-
- Out standing pharmacy student of the year, Isfahan university of medical sciences, 2005

Skills

- Fluent written and spoken English
- Advanced ICDL skills
- Advanced in work with SPSS® and other statistical softwares
- Experienced in work with scientific databases like Scopous® and Web of Science®
- Experienced in work with animal cell cultures
- Experienced in working with spray drying

Ongoing Research Projects

PhD thesis

- Preparation and evaluation of inhalable microparticles containing thiolated chitosan pDNA nanocomplexes by spray drying technology

Research Assistant

- Preparation of nano chitosan-cyclodextrin dry powder inhaler containing Itraconazole
- Preparation of sustained release dry lipid inhalable microparticles using spray drying
- Gene delivery to lung epithelial cells by low molecular weight chitosan-pDNA nanocomplexes: stabilization of DNA in spray drying and spray freeze drying

Accomplished Research projects

- Diltiazem HCl controlled porosity osmotic pump

Presentations:

-

- Diltiazem HCl osmotic pump, poster In: Conference of Controlled Release Society,Tehran2007

- Diltiazem HCl controlled porosity osmotic pump, oral presentation In: conference of Iranian pharmacy students, Shiraz, 2005

Interests:

Music – Movies
