Curriculum Vitae

Personal Information

Last Name : Fallah

First Name : Razieh

Date of Birth: 1966

Nationality : Iranian

Marital Status: Married

Gender : Female

Title : Dr

E-mail : FALLAH@ssu.ac.ir

Work address :

Department of pediatric , Shaheed Sadoughi Hospital, Ave sina St, Shahid Ghandi Blvd, Yazd, Iran

Fax number : 0098-351-8224100

Education Background

2001-2003: Subspecialty in Pediatric Neurology, Medical school , Shaheed Beheshti University of Medical Sciences and Health Services , Tehran, Iran.

1991-1994: Specialty in Pediatrics , Medical school , Isfahan University of Medical Sciences Health Services , Isfahan , Iran.

1987–1991: Medical Doctor (MD) , Medical school , Isfahan University of Medical Sciences and Health Services , Isfahan , Iran.

Professional Training

- 1- 2008 , Two- day workshop on “ Evidence base medicine ”, Yazd, Iran
- 2- 2008 , One –day workshop on “ New methods in residents assessment ” , Yazd, Iran
- 3- 2008 , Workshop on “ Botulinum Toxin injection in Cerebral Palsy” , Tehran, Iran
- 4- 2007, One –day workshop on “ community – oriented medicine ” , Yazd, Iran
- 5- 2007 , 9 th International congress of Education in medicine, Yazd, Iran
- 6- 2007, e – learning conference , Yazd, Iran
- 7- 2006 , Two- day workshop on “ OSCE exams ” , Yazd, Iran
- 8- 2006, Two – day workshop on “ Design and analysis of multiple choice questions” , Yazd, Iran
- 9- 2005 , Two- day workshop on “ SPSS Microsoft ”, Yazd, Iran
- 10- 2005 , Two- day workshop on “Multiple choice questions” , Yazd, Iran
- 11- 2005 , One –day workshop on: “Electronic journals (Ovid)”, Yazd, Iran
- 12- 2004 , Two –day workshop on “ How to write biomedical articles in English ” , Yazd , Iran
- 13- 2004 , Two –day workshop on “ How to write biomedical articles in Persian ” , Yazd , Iran

Nov 2009

- 14- 2004, One – day workshop on “ Writing of curriculum ”, Yazd , Iran
- 15- 2003 , Teaching methods in higher education conference , Yazd , Iran
- 16- 2003 , One – day workshop on “ Research Methodology ” , Yazd , Iran

Employment / Professional Experiences :

- 2003 - present: Assistant Professor**, Department of Pediatrics, Division of Pediatric Neurology , School of Medicine , Shaheed Sadoughi University of Medical Sciences and Health Services (SSUMSHS) , Yazd , Iran.
Teaching Pediatric neurology to assistants of Pediatrics , and students of medicine .
- 2008 - Present : Head of Department of Pediatrics** , SSUMSHS
- 1994 – 1998 : Faculty Member** , School of Medicine , SSUMSHS , Yazd , Iran.
- 1997-2000 : Head of Khatam – al - Anbia hospital** , Abarkooh , Yazd , Iran
- 2004- Present : Member of acute flaccid weakness Committee** , SSUMSHS , Yazd , Iran.
- 2006-present : Head of Pediatric Ward** , Shahid Sadoughi Hospital (SSH) , SSUMSHS , Yazd , Iran
- 2006-present : Chair of mortality in 1-59 months children Committee**, SSH ,Yazd , Iran
- 2009- Present:** Member of University committee for implementation of standards in education of medicine students , SSUMSHS , Yazd , Iran .
- 2008 - Present :** Member of University committee of Mortality in 1-59 months children , SSUMSHS , Yazd , Iran
- 2009-present :** Member of University scientific committee of first national medical students Olympiad , SSUMSHS , Yazd , Iran
- 2009- Present :** Member of Morbidity-Mortality Committee, SSH ,Yazd , Iran
- 2008-present :** Member of University committee of strategic planning in residency program , SSUMSHS , Yazd , Iran
- 2008 ;** Program Secretary , Children respiratory diseases conference (CME) , SSUMSHS , Yazd , Iran
- 2004- Present :** National Reviewer , Journal of SSUMSHS , Yazd , Iran
- 2008 –present :** International Reviewer , Journal of Pediatric Neurology

Research Interests and Activities :

- ❖ Epilepsy & Antiepileptic drugs
- ❖ Status epilepticus
- ❖ Neurodevelopmental delay
- ❖ Inborn error of metabolism
- ❖ Febrile seizure

Publications

Articles :

- 1- **Fallah R** , Akhavan Karbasi S. Recurrence of febrile seizure in Shaheed Sadoughi Hospital of Yazd . Iranian Journal of Child Neurology (in press)

- 28- **Fallah R** . Topiramate as a new antiepileptic drug in epileptic children in Iran Indian Journal of Pediatrics 2006;73 (12):1073-1075.
- 29- **Fallah R** . Biotinidase deficiency presenting with dermal manifestations of Acrodermatitis Entropathica. Journal of SSUMSHS .Summer 2005 ;13 (3) :73-77.
- 30- Golestan M , Akhavan Karbasi S ,Sadr M , Mosavi S.A , Maleki GH, **Fallah R** . Prevalence of zinc deficiency by “ zinc taste test” in pre school children in Yazd . Journal of SSUMSHS . Fall 2004; 12(3):6-6.

Papers Presented in Conferences

1. Does outdoor employment of mother affect neonate's birth weight .**The 3rd Asia Pacific Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI)** , 2009 ,poster presentation , Beijing , China
2. Do dairy products affect seizures in children with epilepsy? **6th National Congress of Epilepsy** . 2009 , Poster presentation , Tehran, Iran
3. Efficacy and safety of gabapentin in Lennox–Gastaut syndrome . **20th Internatinal Congress of Pediatric. 2009**, oral presentation , Tehran, Iran.
4. Genetic consult in mental retardation . Organ base genetic disorders & genetic diseases seminar , 2009, oral presentation , Yazd, Iran.
5. Genetic consult in neurology , (**CME**), 2009, oral presentation (guest lecturer), Kerman, Iran .

Nov 2009

6. Genetic consult in neuromuscular disease , (CME , Behzisti organization), 2009, oral presentation ,Yazd , Iran.
7. Developmetal assessment of children .(CME) , 2009 , oral presentation ,Yazd, Iran
8. Is lamotrigine safe in treatment of refractory epilepsy of children. **Annual Congress of Iranian society of Pediatric & 30th Memorial Congress of Prof.Mohammad Gharib** , 2009 , Poster presentation , Tehran ,Iran.
9. Seizure like disorders. **4th Congress of Pediatric emergencies.**2009 , oral presentation. Tehran ,Iran.
10. New antiepileptic drugs.(CME) , 2009 , oral presentation ,Yazd, Iran.
11. Phenyketonuria and screening program in Iran. **Annual Congress of pediatric diseases (CME)** , 2008 , oral presentation ,Yazd, Iran.
12. Efficacy and side effects of topiramate in Lennox-Gastaut syndrome (LGS). **5th National Congress of Epilepsy** . 2008 , oral presentation ,Tehran, Iran
13. Approach to the metabolic myopathies . **8th National Congress of pediatric neurology** . 2008 , oral presentation ,Mashhad, Iran.
14. Infantile spasms and role of topiramate in it ,s treatment . **19th Internatinal Congress of Pediatric.2008**, oral presentation ,Tehran, Iran.
15. Low birth weight prevalence and it's risk factors in Yazd – Iran .**21th European Congress of Perinatal Medicine** . September 10-13 , 2008 , poster presentation Istanbul ,Turkey .
16. Role of laboratory diagnostic test in seizure of children. **Annual Congress of Iranian society of Pediatric & 29th Memorial Congress of Prof.Mohammad Gharib** , 2008 , Poster presentation , Tehran ,Iran.
17. Approach of coma in children.**3th Congress of Pediatric emergencies** . 2008 , oral presentation. Tehran ,Iran.
18. Subsequent epilepsy after first febrile seizure . **4th National Congress of Epilepsy** . 2007 , poster presentation ,Tehran, Iran
19. Status epilepticus in children. **19th Internatinal Congress of Pediatric.** 2007, oral presentation ,Tehran, Iran.
20. Neurodevelomental delay and inborn error of metabolism. **Annual Congress of Iranian society of Pediatric & 28th Memorial Congress of Prof.Mohammad Gharib** , 2007 , Poster presentation , Tehran ,Iran
21. Neonatal hypoglycemia . **Annual Congress of Iranian society of Pediatric & 28th Memorial Congress of Prof.Mohammad Gharib** , 2007 , Poster presentation , Tehran ,Iran.
22. Inborn error of metabolism . **Annual Congress of pediatric diseases (CME)** , 2006 , oral presentation ,Yazd, Iran.
23. Intravenous lidocaine and midazolam infusion for refractory convulsive status epilepticus. **3th National Congress of Epilepsy** . 2006 , oral presentation ,Tehran, Iran
24. Treatment of status epilepticus of children with intravenous lidocaine. **6th National Congress of pediatric neurology** . 2006 , oral presentation ,Tabriz , Iran.
25. Increased intracranial pressure in children . **18th Internatinal Congress of Pediatric.**2006, oral presentation ,Tehran, Iran.
26. ADHD in first grade school children in Yazd , **18th Internatinal Congress of Pediatric.**2006, poster . presentation ,Tehran, Iran.

Nov 2009

27. Stuttering in 6 year olds of Yazd city .**18th Internatinal Congress of Pediatric.**2006, poster . presentation ,Tehran, Iran.
28. Growth disorders in 6 year olds of Yazd city . **18th Internatinal Congress of Pediatric.**2006, poster . presentation ,Tehran, Iran.
29. fever is friend or enemy. **18th Internatinal Congress of Pediatric.**2006, poster . presentation ,Tehran, Iran.
30. Floppy baby . **Annual Congress of Iranian society of Pediatric & 27th Memorial Congress of Prof.Mohammad Gharib** , 2006 , Poster presentation , Tehran ,Iran.
31. Report of a interactable epilepsy . **2th National Congress of Epilepsy** . 2005 , poster presentation ,Tehran, Iran
32. Headache in children . **Annual Congress of pediatric diseases (CME)** , 2005 , oral presentation ,Yazd, Iran.
33. Vertigo in children . **17th Internatinal Congress of Pediatric.** 2005, oral presentation ,Tehran, Iran.
34. Role of MRI in structural CNS dysgenesisia . **Familiarity with MRI conference** , 2005, oral presentation , Yazd , Iran
35. Report of a case with biotinidase deficiency .**4th National Congress of pediatric neurology** . 2006 , poster presentation ,Bandar abbas , Iran.
36. Hypotonic infant . **Annual Congress of pediatric diseases (CME)** , 2004 , oral presentation ,Yazd, Iran.
37. Pediatric neurologic examination . **Annual Congress of pediatric diseases (CME)** , 2004 , oral presentation ,Yazd, Iran .

Supervision on Medical Theses:

1. The evaluation of children brain CT scan results and its relationship with requesting clinical complains , 2007
2. Effects of food and diet on the epilepsy of the children according to their parent's opinion , 2008
3. Efficacy and safety of lamotrigine as add – on – therapy in refractory epilepsy of children , 2008

Advisor on Medical Theses :

- 1- Recurrence of first seizure after 1 year & its relationship with preclinical findings in Shaheed Sadoughi Hospital admitted children , 2006
- 2- Comparative study of growth and development in 5-year old children with and without neonatal low birth weight , 2009
- 3- Comparison of developmental status of 18- month old children with and without neonatal hyperbilirubinemia via ASQ score , 2009

Membership of Professional Associations

2004 – Present : Member of the Iranian Pediatric Neurology Associations
