

Curriculum Vitae

Personal Information

First name: Seyed Hassan

Date of birth 20/12/1956

Marital status Married

Gender Male

Surname: Hejazian Yazdy

Nationality Iranian

Title Lecturer

Work address:. Dept. of Physiology, Shahid Sadoughi University Of Medical Sciences, Yazd, Iran

Home address: NO.60 Alley 11th Kherad Street ,Atlasi Square, Safayeh , Yazd, Iran

Tel: 0098 351 8226857

E-mail: hejaziansh@yahoo.com

Educational Background

1988-1990 Msc in Physiology, Title of thesis" The effect of opium addiction on testosterone and gonadotropin in addictedmen". Dept. of Physiology, School of Medicine, Medical University, Kerman, Iran

1387-1390 PhD in physiology Title of thesis" The comparison of thymol effect with aquase part and different phase of *Carum Copticum* Essential oil on Acetylcholine induced Contraction in rat's ileum" Dept. of Physiology, School of Biology,, Tehran University, Tehran, Iran

Employment / Professional Experience

1990-2001 Faculty Member (Lecturer), School of Medicine, Rafsanjan University, , Iran.

1990-2001 Member of research group of basic science of Medical College

1992-1996 Head department of physiology

2001-present Faculty Member (Lecturer), School of Medicine, Shahid Sadoughi University of Medical Sciences and Health Services

2002-2006

Head of library Yazd Medical College

Publications:

A- Journals:

1-GH Sepehri, S.H.Hejazian, [The Effect Of Opium Addiction On FSH And LH On Addicted men](#), *Medical journal Kerman iran*, 2(2), 56-60: 1995

2-S.H.Hejazian, MH Dashti : [The effect of sodium nitroprosside on rabbit's traceal smooth muscle](#). *Medical journal Kordestan iran*, 10(1),1-8: 2004

3- S.H.Hejazian : [The Comparison Anti Nocciceptive Effect Of HOPS with morphin On Rats](#) *Medical journal Rafsangan iran*, 4(4),273-278: 2005.

4- S.H.Hejazian: [To evaluate analgesic opioid receptors Of HOPS extract in mice](#) *Medicinal herb and Aromatic journal,Tehran, iran*, 23(2),166-173:2007

5- S.H.Hejazian : [Analgesic effect of Essential Oil from carum copticum in mice](#) *WJMS* 1(2) 95-99 2006

6- S.H.Hejazian, M H Dashti, A Rafati- [The effect of opium on serum testosterone LH :FSH concentratioin in addicted men](#) *J of Reproductive Medicine* VOL5winter 2007.

7- M H Dashti , S.H.Hejazian [The analgesic effect of carum copticum in extract and morphine on phasic pain in mice](#) *Ethno pharmacho* 2006

8-S.H.Hejazian, Mohammad Hossein Mosaddegh and Mohammad Hossein Dashti Rahmatabadi [Antinociceptive Effects of Carum Copticum Extract in Mice Using Formalin Test](#) *WASJ* : 3(2) . 215-219,2008.

9- S.H.Hejazian, Mohammad Hossein Mosaddegh² [Does essential oil from Carum Copticum extract has effects on mu opioid receptors?](#) *WASJ*: 3(2). 227-230, 2008.

10- Mohammad Hossein Mosaddegh Nasrin ghasemi, ahmad Mosaddegh, S.H.Hejazian [Antinociceptive Effects of Sparitum junceum L. Extract on Mouse Formalin Test](#) *WASJ*: 3(2) . 223-226, 2008.

African Journal of Pharmacy and Pharmacology** Vol. 5(12), pp. 1432-1435, 29 September, 2011

B- Congres s Proceedings:

1. **S.H.Hejazian**, [The Effect Of Opium Addiction On FSH And LH On Addictedmen](#). In abstract book of “Frontiers in Pharmacology and Therapeutics in 21st Century”, **New Delhi**, India, – 4th December, 1999.
2. **S.H.Hejazian** : [The effect of sodium nitroprusside on rabbit’s traceal smooth muscle](#). 9th APCCB & 28th annual conference of ACBI ABSTRACT book **New Delhi India**,p:202,2002
3. **S.H.Hejazian**: [The Comparison Of Respiratory Volumes Of Workers In Mine With Predicted Value](#),4th International Congress Of Pathophysiology ,June 29-July 5 ,**Budapest /Hungary**,2002
4. **S.H.Hejazian**: [Comparison Between The Analgesic Effect Of Carum Copticum Extract and Morphine](#) . The Proceedings of the European Association for clinical Pharmacology and Therapeutics, **Istanbul, Turkey** ,p: 83, June 2003.
5. **S.H.Hejazian** : [The Anti Nociceptive Effect Of HOPS On Rats](#) . 3th International congress of health 29 Sep-03 Oct ,**Mashad** ,Iran ,2004
6. **S.H.Hejazian** : [The Effect Of Carum Copticom On Pain And Compare With Morphine](#) . 3th conference of addiction ,**Yazd** ,Iran ,29 Jan-01 Feb
- 7- **S.H.Hejazian** : [The Effect Of HOPS extract On tonic pain in mice](#). **China** 2006

Research Interests and Activities

- Behavioural Studies (Pain)
- Medicinal Herb

Reference

- Professor Mohammad H Mosaddeegh

Adress:Dept. Of Pharmacology Shahid Sadoughi Medical Science University, Yazd, Iran
